Data Collection & Data Sharing

I, the parent/guardian of the minor child listed on this application, grant Boys & Girls Clubs of Silicon Valley (BGCSV) my permission to collect information via online or written surveys, questionnaires, interviews and focus groups from the minor child listed on this application. Surveys may include questions that asks how members feel about the activities and time they spend at the Club, education plans and involvement in community service and work. Additionally, surveys may ask about the attitudes and health behaviors of Club members, including questions about nutrition and physical activity. Members aged 10 and older may be asked additional questions around alcohol, tobacco and other drug use, fighting, arrests, and whether youth are sexually active.

Participating in these surveys will cause no risk to your child. The only potential risk is that some members aged 10 and older might find certain questions to be sensitive. Surveys have been designed to protect your child’s privacy. Members will not put their names on the surveys, and no member will ever be mentioned by name in a report of the results. All information from the surveys will be used to assess the wellbeing of BGCSV members and/or to evaluate the program’s effectiveness. Any and all information received will be kept strictly confidential. Data gathered through these means will be summarized in the aggregate and will exclude all references to any individual responses. The aggregated results of these analyses may be shared with Club staff, Boys & Girls Clubs of America, funders and other community stakeholders to evidence program effectiveness and/or Club impact on our members.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Boys & Girls Clubs of Silicon Valley (“Club”) has put in place preventative measures to reduce the spread of COVID-19; however, the Club **cannot guarantee** that you or your child(ren) will not become infected with COVID-19. Further, **attending the Club could increase** your risk and your child(ren)’s risk of contracting COVID-19.

.....

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)’s attendance at the Club or participation in Club programming (“Claims”). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Club program.
